- A) Metrics
- B) Academic research evidence
- C) Science
- D) Strategy
- E) Subjective popular press articles

Answer: A

Type: MC

Learning Objective: 1.3: Explain how HRM has changed over recent years to include a higher-level advisory role.

18) Which of the following is the lowest level of HR certification currently available?

- A) CHRL
- B) CHRC
- C) CPHR or CHRP in Ontario
- D) CHRA
- E) CHRE

Answer: C

Type: MC

Learning Objective: 1.5: Describe the core HR competencies and professionalism of the HRM function.

19) As of 2016, in all provinces except Ontario, the CHRP designated was renamed

- A) CHRL.
- B) CHRC.
- C) CPHR .
- D) CHRA.
- E) CHRE.

Answer: C

Type: MC

Learning Objective: 1.5: Describe the core HR competencies and professionalism of the HRM function.

20) The highest level HR designation in Ontario is

- A) CHRL.
- B) CHRC.
- C) CPHR.
- D) CHRA.
- E) CHRE.

Answer: E

Type: MC

Learning Objective: 1.5: Describe the core HR competencies and professionalism of the HRM function.

21) The Canadian national body that manages certification for human resource professionals (except Ontario) is called the

- A) Canadian Management Association.
- B) Canadian Council of Human Resources Associations.
- C) Society for Human Resources Management.
- D) Personnel Professionals Association of Ontario.
- E) Personnel Management Association of Canada.

Answer: B

Type: MC

Learning Objective: 1.5: Describe the core HR competencies and professionalism of the HRM function.

22) The Canadian Council of Human Resources Associations governs the human resources profession in all provinces except

- A) British Columbia.
- B) Nova Scotia.
- C) Quebec.
- D) Ontario.
- E) Manitoba.

Answer: D

Type: MC

Learning Objective: 1.5: Describe the core HR competencies and professionalism of the HRM function.

23) Certified HRM professionals must abide by a uniform code of ethics to maintain professional status.

Answer: TRUE

Type: TF

Learning Objective: 1.5: Describe the core HR competencies and professionalism of the HRM function.

24) HRM has evolved over the last few decades due to external environmental influences, such as globalization, technological changes, and environmental concerns, all of which drive the strategic focus of HRM.

Answer: TRUE

Type: TF

Learning Objective: 1.6: Discuss the internal and external environmental factors affecting human resources management policies and practices, and explain their impact.

25) Economic downturns are generally associated with

A) higher voluntary turnover.

B) lower unemployment rates.

C) skills shortages.

D) an overwhelming number of job applicants for vacancies.

E) more competition for qualified employees.

Answer: D

Type: MC

Learning Objective: 1.6: Discuss the internal and external environmental factors affecting human resources management policies and practices, and explain their impact.

26) Which of the following refers to the ratio of an organization's outputs to its inputs?

A) The labour market equation

B) The supply and demand equation

C) Competitive ability

D) The equity ratio

E) Productivity

Answer: E

Type: MC

Learning Objective: 1.6: Discuss the internal and external environmental factors affecting human resources management policies and practices, and explain their impact.

27) External environmental influences having a direct or indirect influence on HRM include which of the following?

- A) Increasing empowerment
- B) Increasing engagement
- C) Labour market issues
- D) Organizational climate
- E) Organizational culture

Answer: C

Type: MC

Learning Objective: 1.6: Discuss the internal and external environmental factors affecting human resources management policies and practices, and explain their impact.

28) When unemployment rates fall,

- A) there is less competition for qualified employees.
- B) training and retention strategies increase in importance.
- C) selection strategies increase in importance.
- D) qualified workers become more engaged.
- E) organizational culture improves.

Answer: B

Type: MC

Learning Objective: 1.6: Discuss the internal and external environmental factors affecting human resources management policies and practices, and explain their impact.

29) Mortgage Financial needs to recruit 10 employees for a period of three months to assist its team of underwriters during the busy season. The company does not want to provide these 10 employees regular full-time employment status. These employees will be known as which type of workers?

- A) Regular workers
- B) Permanent workers
- C) Technical workers
- D) Contingent workers
- E) Primary sector workers

Answer: D

Type: MC

Learning Objective: 1.6: Discuss the internal and external environmental factors affecting human resources management policies and practices, and explain their impact.

30) The characteristics of the workforce, such as race, gender, and age are known as

- A) values.
- B) population trends.
- C) beliefs.
- D) customs and norms.
- E) demographic factors.

Answer: E

Type: MC

Learning Objective: 1.6: Discuss the internal and external environmental factors affecting human resources management policies and practices, and explain their impact.

31) Which generation has attitudes, values, and expectations of both optimism and team orientation?

- A) Traditionalists
- B) Generation Z-ers
- C) Generation X-ers
- D) Baby boomers
- E) Generation Y-ers

Answer: D

Type: MC

Learning Objective: 1.6: Discuss the internal and external environmental factors affecting human resources management policies and practices, and explain their impact.

32) Baby boomers

- A) grew up in an era of hardship.
- B) were born between 1946 and 1964.
- C) were born between 1922 and 1945.
- D) grew up as divorce rates skyrocketed.
- E) expect to change jobs frequently.

Answer: B

Type: MC

Learning Objective: 1.6: Discuss the internal and external environmental factors affecting human resources management policies and practices, and explain their impact.

33) One key characteristic of Generation X employees is

- A) mastery of technology.
- B) eagerness to make a contribution.
- C) a sense of security linked to corporate loyalty.
- D) an orientation towards action.
- E) results driven.

Answer: E

Type: MC

Learning Objective: 1.6: Discuss the internal and external environmental factors affecting human resources management policies and practices, and explain their impact.

34) Which sector dominates the Canadian economy?

- A) Secondary sector
- B) Primary sector
- C) Education sector
- D) Service sector
- E) Manufacturing sector

Answer: D

Type: MC

Learning Objective: 1.6: Discuss the internal and external environmental factors affecting human resources management policies and practices, and explain their impact.

- 35) Technological advances have
- A) enabled people to work anywhere and everywhere.
 - B) decreased work-family balance issues.
 - C) resulted in a decline in privacy-related issues.
 - D) had little impact on service-sector firms.
 - E) led to significant increases in the employment of persons with disabilities.

Answer: A

Type: MC

Learning Objective: 1.6: Discuss the internal and external environmental factors affecting human resources management policies and practices, and explain their impact.

- 36) Questions concerning _____ are at the core of a growing controversy brought about by new information technologies.

- A) data control, accuracy, the right to privacy, and ethics
- B) employee engagement
- C) job satisfaction
- D) environmental and social responsibility
- E) speed and efficiency

Answer: A

Type: MC

Learning Objective: 1.6: Discuss the internal and external environmental factors affecting human resources management policies and practices, and explain their impact.

- 37) You are the Director of Human Resources at a real estate development company based in Toronto. To attract and retain employees born after 1980, which of the following would you emphasize?

- A) Economic conservatism
- B) Pragmatism
- C) Stability
- D) Civic duty
- E) Informality

Answer: D

Type: MC

Learning Objective: 1.6: Discuss the internal and external environmental factors affecting human resources management policies and practices, and explain their impact.

- 38) You are the HR Generalist of a national railway. Which employment legislation would you refer to when it comes to employee relations issues within the organization?

- A) Jurisdictional
- B) Provincial
- C) Territorial
- D) Federal
- E) Municipal

Answer: D

Type: MC

Learning Objective: 1.6: Discuss the internal and external environmental factors affecting human resources management policies and practices, and explain their impact.

39) Each of the 10 provinces and three territories has its own human rights legislation.

Answer: TRUE

Type: TF

Learning Objective: 1.6: Discuss the internal and external environmental factors affecting human resources management policies and practices, and explain their impact.

40) Minimum wage, overtime pay requirements, and vacation entitlements

A) are the same across all jurisdictions.

B) are the same across all provinces.

C) vary from one province/territory to another.

D) are the same across all territories.

E) vary from one federally regulated employer to another.

Answer: C

Type: MC

Learning Objective: 1.6: Discuss the internal and external environmental factors affecting human resources management policies and practices, and explain their impact.

41) The tendency of firms to expand their operations around the world is known as

A) cultural diversity.

B) globalization.

C) international marketing.

D) product diversification.

E) domestication.

Answer: B

Type: MC

Learning Objective: 1.6: Discuss the internal and external environmental factors affecting human resources management policies and practices, and explain their impact.

42) The growing integration of the world economy has vastly increased

A) employee turnover.

B) the quality of products and services.

C) standardization practices.

D) the prices of products and services.

E) the intensity of competition.

Answer: E

Type: MC

Learning Objective: 1.6: Discuss the internal and external environmental factors affecting human resources management policies and practices, and explain their impact.

43) The primary sector, which includes agriculture, fishing, forestry, and mining now represents the majority of jobs in Canada.

Answer: FALSE

Type: TF

Learning Objective: 1.6: Discuss the internal and external environmental factors affecting human resources management policies and practices, and explain their impact.

44) Productivity refers to the amount of goods produced from one year to the next.

Answer: FALSE

Type: TF

Learning Objective: 1.6: Discuss the internal and external environmental factors affecting human resources management policies and practices, and explain their impact.

45) The tertiary sector includes jobs in agriculture, fishing and trapping, forestry, and mining.

Answer: FALSE

Type: TF

Learning Objective: 1.6: Discuss the internal and external environmental factors affecting human resources management policies and practices, and explain their impact.

46) The condition of the labour market is a key environmental influence on human resources management in any organization. With the end of mandatory retirement in most Canadian jurisdictions, there are employees from all four of the demographic groups in the workforce. Identify and briefly describe each of the four demographic groups, then describe two challenges posed by the differences between the demographic groups in the workplace.

Answer: For the first 8 points of this 10 point question, identify each of the groups (Traditionalists, Baby Boomers, Generation X, and Generation Y) and one or two characteristics for each group. For the last 2 points, the student should express how the attitudes/values/expectations/differences may create issues in the workplace. See Table 1.4 on page 17.

Type: ES

Learning Objective: 1.6: Discuss the internal and external environmental factors affecting human resources management policies and practices, and explain their impact.

47) The core values, beliefs, and norms that are widely shared by members of an organization are known as

A) the strategic plan.

B) the mission statement.

C) organizational culture.

D) organizational climate.

E) the prevailing atmosphere.

Answer: C

Type: MC

Learning Objective: 1.6: Discuss the internal and external environmental factors affecting human resources management policies and practices, and explain their impact.

48) Which of the following is one of the purposes that organizational culture serves?

- A) Increasing training levels
- B) Increasing customer service levels
- C) Fostering employee loyalty and commitment
- D) Succession planning
- E) Creating a friendlier atmosphere

Answer: C

Type: MC

Learning Objective: 1.6: Discuss the internal and external environmental factors affecting human resources management policies and practices, and explain their impact.

49) The prevailing atmosphere or "internal weather" that exists in an organization and its impact on employees is known as

- A) performance.
- B) mission.
- C) vision.
- D) organizational climate.
- E) corporate culture.

Answer: D

Type: MC

Learning Objective: 1.6: Discuss the internal and external environmental factors affecting human resources management policies and practices, and explain their impact.

50) Revlex Inc. has decided to allow its front-line workers to make decisions regarding the ordering of certain supplies that were formerly made by managers. This initiative is an example of

- A) workplace incentives.
- B) a change in organizational climate.
- C) job restructuring.
- D) employee empowerment.
- E) management development.

Answer: D

Type: MC

Learning Objective: 1.6: Discuss the internal and external environmental factors affecting human resources management policies and practices, and explain their impact.

51) Joe Brown was hired by a manufacturing firm as a supervisor. During his first few weeks as a supervisor, he realized that the employees reporting to him expected a lot of direction and expected him to make all of the decisions. Joe Brown decided to train his employees to take on additional responsibilities and make decisions within a specific scope. Joe Brown is

- A) outsourcing his staff.
- B) narrowing his staff.
- C) embracing his staff.
- D) empowering his staff.
- E) rewarding his staff.

Answer: D

Type: MC

Learning Objective: 1.6: Discuss the internal and external environmental factors affecting human resources management policies and practices, and explain their impact.

52) Internal factors impacting HRM include all of the following except

- A) organizational culture.
- B) organizational climate.
- C) globalization.
- D) management practices.
- E) retention strategies.

Answer: C

Type: MC

Learning Objective: 1.6: Discuss the internal and external environmental factors affecting human resources management policies and practices, and explain their impact.

53) External factors impacting HRM include all of the following except

- A) government.
- B) economic factors.
- C) globalization.
- D) management practices.
- E) environmental concerns.

Answer: D

Type: MC

Learning Objective: 1.6: Discuss the internal and external environmental factors affecting human resources management policies and practices, and explain their impact.

54) _____ consists of the core values, beliefs, and assumptions that are widely shared by members of an organization.

- A) Organizational culture
- B) Organizational climate
- C) Globalization
- D) Management practices
- E) Retention strategies

Answer: A

Type: MC

Learning Objective: 1.6: Discuss the internal and external environmental factors affecting human resources management policies and practices, and explain their impact.

55) At Rybak Enterprises, a number of employees have started a working group to address sustainability issues. Which external factor are they responding to?

- A) Government
- B) Economic factors
- C) Globalization
- D) Management practices
- E) Environmental concerns

Answer: E

Type: MC

Learning Objective: 1.6: Discuss the internal and external environmental factors affecting human resources management policies and practices, and explain their impact.

56) A minimum wage issue has been a key topic in a provincial election. Which external factor does this most closely relate to

- A) government.
- B) economic factors.
- C) globalization.
- D) management practices.
- E) environmental concerns.

Answer: A

Type: MC

Learning Objective: 1.6: Discuss the internal and external environmental factors affecting human resources management policies and practices, and explain their impact.

57) Moving jobs offshore is usually a result of what external factor?

- A) Government
- B) Economic factors
- C) Globalization.
- D) Management practices
- E) Environmental concerns

Answer: C

Type: MC

Learning Objective: 1.6: Discuss the internal and external environmental factors affecting human resources management policies and practices, and explain their impact.

58) Employee empowerment is decreasing.

Answer: FALSE

Type: TF

Learning Objective: 1.6: Discuss the internal and external environmental factors affecting human resources management policies and practices, and explain their impact.

59) What is the purpose of an organizational culture?

Answer: Two points for each of the following:

- communicating what the organization *believes in* and *stands for*
- providing employees with a sense of direction and expected behaviour (norms)
- shaping employees' attitudes about themselves, the organization, and their roles
- creating a sense of identity, orderliness, and consistency
- fostering employee loyalty and commitment

Type: ES

Learning Objective: 1.6: Discuss the internal and external environmental factors affecting human resources management policies and practices, and explain their impact.

60) HR professionals play a key role in helping managers throughout the firm establish and maintain a positive organizational climate.

Answer: TRUE

Type: TF

Learning Objective: 1.6: Discuss the internal and external environmental factors affecting human resources management policies and practices, and explain their impact.

61) Employees of the federal government and Crown corporations, chartered banks, airlines, and the Canadian Armed Forces are covered by federal employment legislation.

Answer: TRUE

Type: TF

Learning Objective: 1.6: Discuss the internal and external environmental factors affecting human resources management policies and practices, and explain their impact.
