Learning Objective: 02-03 Examine how retailers differ in terms of how they meet the needs of their customers.
Levy - Chapter 02 \#23
24. Al is the office manager for a large travel agency. He is responsible for maintaining the office supplies and works within a budget. This month, he needs to restock the agency's \#10 envelopes, ball-point pens, coffee, sweetener and plastic spoons. Where's the best place for him to shop?
A. Loblaws
B. Office Depot
C. Costco
D. 7-Eleven
E. Zellers

Although this merchandise could be purchased at all of the retailers, Costco would provide the most for the least amount of money. Being that the agency is large and on a budget, Costco would be the best selection.

[^1]25. Warehouse clubs:
A. have high margins
B. spend on visual displays
C. sell merchandise in a no-frills atmosphere
D. have low turnover
E. provide extensive customer service

Accessibility: Keyboard Navigation
Difficulty: Medium
Learning Objective: 02-02 Compare and contrast the different types of retailers.
Learning Objective: 02-03 Examine how retailers differ in terms of how they meet the needs of their customers.
Levy - Chapter 02 \#25
26. Which of the following statements about warehouse clubs is true?
A. Warehouse clubs only sell to ultimate consumers.
B. Warehouse clubs have a category specialist format.
C. Warehouse clubs typically have high inventory holding costs.
D. Warehouse clubs have simple interiors and concrete floors.
E. Warehouse clubs have extensive merchandise depth.

Warehouse clubs are general merchandise retailers that sell to small businesses and ultimate consumers. They maintain low inventory holding costs because they carry a limited assortment of fast-moving items.

## Accessibility: Keyboard Navigation

Difficulty: Easy
Learning Objective: 02-05 Explore how multichannel retailers provide more value to their customers.
Levy - Chapter 02 \#78
79. Which of the following retailers is the best example of a multichannel retailer?
A. Susan and Michael's Hair Salon
B. eBay
C. Sears
D. The Keg restaurant
E. 7-Eleven convenience stores

[^7]80. Which of the following is not a benefit of retail store channel shopping?
A. Browsing
B. Cash payment
C. Personal service
D. Personal safety
E. Touch and feel products

The security in malls and mall parking lots is an important concern for shoppers. Non-store retail formats have an advantage over store-based retailers because customers can review merchandise from the safety of their own homes.

Difficulty: Easy
Learning Objective: 02-07 Identify the types of ownership for retail firms.
Levy - Chapter 02 \#90
91. $\qquad$ refers to the number of different items in a merchandise category.
Assortment/Depth of merchandise

## Difficulty: Easy

Learning Objective: 02-02 Compare and contrast the different types of retailers.
Learning Objective: 02-03 Examine how retailers differ in terms of how they meet the needs of their customers.
Levy - Chapter 02 \#91
92. Which type of store is the most intense competitor for the discount store?

The category specialist.

Difficulty: Hard
Learning Objective: 02-02 Compare and contrast the different types of retailers.
Learning Objective: 02-03 Examine how retailers differ in terms of how they meet the needs of their customers.
Levy - Chapter 02 \#92
93. A hair salon that requires its operators to keep a database on each customer and include in that database what was done on each visit, customer likes and dislikes, and peculiar characteristics of the customer is trying to cope with which service characteristic?
inconsistency

Difficulty: Easy
Learning Objective: 02-04 Review how services retailers differ from merchandise retailers.
Levy - Chapter 02 \#93
94. Why do category specialists call themselves "category killers"?

By offering a complete assortment in a category at low prices, category specialists can "kill" a category of merchandise for other retailers.

## Difficulty: Easy

Learning Objective: 02-02 Compare and contrast the different types of retailers.
Learning Objective: 02-03 Examine how retailers differ in terms of how they meet the needs of their customers.
Levy - Chapter 02 \#94
95. What do Weight Watchers, Merrill Lynch, Federal Express, and U-Haul have in common?

They are all examples of services retailers.
96. What are some benefits to consumers from shopping in stores compared to catalogues or the Internet?

Browsing; touching and feeling products; personal service; paying cash; immediate gratification; entertainment and social experience.

## Difficulty: Medium

Learning Objective: 02-05 Explore how multichannel retailers provide more value to their customers.
Levy - Chapter 02 \#96
97. Differentiate between breadth of merchandise and depth of merchandise.

Breadth of merchandise refers to the number of different merchandise categories a retailer offers. Depth of merchandise refers to the number of different items in a merchandise category.

Difficulty: Medium
Learning Objective: 02-01 Explore various trends that are shaping today's retailers.
Levy - Chapter 02 \#97
98. What are three issues retailers face when they want to integrate across multiple channels?

Centralized customer database, consistent brand image, merchandise assortment and pricing.

Difficulty: Medium
Learning Objective: 02-06 Recognize the key success factors in multichannel retailing.
Levy - Chapter 02 \#98
99. How do retailers adjust their pricing strategy because of the competition they face in different channels?

They may offer different prices in different channels.
100. Department stores are diverse and can be categorized into 3 tiers. Describe each tier and give an example of a retailer (for each tier).

The first tier includes upscale, high-fashion chains with exclusive designer merchandise and excellent customer service, such as Holt Renfrew in Canada and Nordstrom in the United States. Hudson's Bay represents the second tier of upscale department stores, in which retailers sell more modestly priced merchandise with less customer service. The value-oriented third tier-Sears Canada - caters to more price-conscious consumers.

## Difficulty: Medium

Learning Objective: 02-02 Compare and contrast the different types of retailers.
Learning Objective: 02-03 Examine how retailers differ in terms of how they meet the needs of their customers.
Levy - Chapter 02 \#100
101. What are some of the primary reasons why a traditional retailer would evolve into a multichannel retailer?

Several reasons include: The Internet gives them an opportunity to reach new markets; they can leverage their skills and assets to grow revenues and profits; an e-tail site overcomes some limitations of their traditional formats; an e-tailing site enables retailers to gain valuable insights into their customers' shopping behaviour; they have an opportunity for increasing their "share of wallet."

## Difficulty: Medium

Learning Objective: 02-05 Explore how multichannel retailers provide more value to their customers.
Learning Objective: 02-06 Recognize the key success factors in multichannel retailing.
Levy - Chapter 02 \#101
102. What does a franchisor offer its franchisees?

The franchisor provides assistance in locating and building the store, developing the products and/or services that will be sold, management training, and advertising. Additionally, the franchisor makes sure all outlets provide the same quality of services and products to maintain the reputation of the franchise.

## Difficulty: Medium

Learning Objective: 02-07 Identify the types of ownership for retail firms.
Levy - Chapter 02 \#102
103. Many people believe that department store retailing is on the decline. What are department stores doing in response to this?

Many department stores are lowering prices on some merchandise. Most are investing in the development of private labels brands. Certain departments are getting progressive face-lifts and Internet access is being added.

## Difficulty: Medium

Learning Objective: 02-02 Compare and contrast the different types of retailers.
Learning Objective: 02-03 Examine how retailers differ in terms of how they meet the needs of their customers.
Levy - Chapter 02 \#103
104. Explain why it is so difficult to be successful in catalogue retailing.

Catalogue retailing appears easy to manage as start-up costs are lower than say traditional bricks and mortar retailing. The reality is that it is challenging because catalogue retailers are competing against retailers that are multi-channelled. Mailing and printing costs are high and increasing. The time it takes to design, develop and distribute catalogues is too lengthy...catalogue retailers can't respond to trends and fashions fast enough.

## Difficulty: Hard

Learning Objective: 02-02 Compare and contrast the different types of retailers.
Learning Objective: 02-03 Examine how retailers differ in terms of how they meet the needs of their customers.
Levy - Chapter 02 \#104
