

Selling Today: Partnering to Create Value, 14e (Manning/Ahearne/Reece)
Chapter 2 Evolution of Selling Models That Compliment the Marketing Concept

- 1) The development of a personal selling philosophy most likely involves:
- A) a full acceptance of the limits of the marketing concept
 - B) a full appreciation of the tenets of the free enterprise system
 - C) a desire to sell internationally
 - D) assuming the role of a problem-solver in helping customers make complex buying decisions
 - E) assuming the role of a competitor for customers' business

Answer: D

Diff: 2

Objective: LO 2.1: Discuss the evolution of personal selling models as an extension of the marketing concept

- 2) Sales departments and marketing departments often compete for:
- A) the largest number of employees in the company
 - B) the biggest customers
 - C) financial resources and budget share
 - D) management's favor
 - E) product to give away

Answer: C

Diff: 2

Objective: LO 2.1: Discuss the evolution of personal selling models as an extension of the marketing concept

- 3) The ultimate goal of the "marketing concept" is:
- A) product diversification
 - B) customer satisfaction
 - C) brand loyalty
 - D) rising profit margins
 - E) efficiency of production

Answer: B

Diff: 2

Objective: LO 2.1: Discuss the evolution of personal selling models as an extension of the marketing concept

- 4) Which of the following statements would NOT be an application of the marketing concept?
- A) Let's speed up production and get these products to customers faster by eliminating the field test.
 - B) Let's show these product designs to some prospective buyers for their reactions.
 - C) Let's examine our points of distribution to see if we're reaching the market effectively.
 - D) Let's do some research to see which colors consumers prefer.
 - E) Let's ask customers which products they used most heavily.

Answer: A

AACSB: Analytical Thinking

Objective: LO 2.1: Discuss the evolution of personal selling models as an extension of the marketing concept

- 5) When UPS was first established, founder Jim Casey described the firm's focus as follows:
- A) to become a leader in international shipping
 - B) to become the world's most profitable company
 - C) to render perfect service to our stores and their customers
 - D) to become the world's most efficient shipping company
 - E) to become the fastest shipper in the world

Answer: C

Diff: 2

Objective: LO 2.1: Discuss the evolution of personal selling models as an extension of the marketing concept

- 6) The marketing mix consists of product, promotion, place, and:
- A) personnel
 - B) principle
 - C) perfection
 - D) pride
 - E) price

Answer: E

Diff: 1

Objective: LO 2.1: Discuss the evolution of personal selling models as an extension of the marketing concept

- 7) The promotion element of a marketing program can be subdivided into the areas of:
- A) sales, promotion, and advertising
 - B) market research, personnel, and product publicity
 - C) product research, product design, product production, and product publicity
 - D) public relations, place, personal selling, and personnel
 - E) sales promotion, public relations, personal selling, and advertising

Answer: E

Diff: 2

Objective: LO 2.1: Discuss the evolution of personal selling models as an extension of the marketing concept

A company has developed a calendar/messaging/paperwork center that helps working mothers organize their families' schedules and paperwork. All the mothers who have tried it have loved it, and it is priced comparably to normal planners, although it offers much more.

8) The product was developed by gathering focus groups of mothers and asking them what they need and what they wish normal planners offered them. This method of product development most likely:

- A) is costly and inefficient
- B) is performed by the marketing department
- C) subscribes to the marketing concept
- D) reduces the barriers to purchasing
- E) is a method developed in the last decade

Answer: C

Diff: 3

AACSB: Application of Knowledge

Objective: LO 2.1: Discuss the evolution of personal selling models as an extension of the marketing concept

9) As part of the marketing mix, the makers of the calendar will be running an advertising campaign directed at working mothers. Another part of the marketing mix is sending salespeople to sell:

- A) calendars to retail outlets
- B) calendars to working mothers
- C) organizational skills to working mothers
- D) nostalgia to organizers
- E) organizational skills to online reviewers

Answer: A

Objective: LO 2.1: Discuss the evolution of personal selling models as an extension of the marketing concept

11) A company that ignores the marketing concept will not have any negative effects.

Answer: FALSE

Diff: 2

Objective: LO 2.1: Discuss the evolution of personal selling models as an extension of the marketing concept

12) Business firms vary in terms of how strongly they support the marketing concept.

Answer: TRUE

Diff: 1

Objective: LO 2.1: Discuss the evolution of personal selling models as an extension of the marketing concept

13) It is not as important to focus on the marketing concept if a company has an established product.

Answer: FALSE

Diff: 2

Objective: LO 2.1: Discuss the evolution of personal selling models as an extension of the marketing concept

14) There is no set path to using the marketing concept successfully.

Answer: TRUE

Diff: 1

Objective: LO 2.1: Discuss the evolution of personal selling models as an extension of the marketing concept

15) When measured by either the number of people employed or expenses as a percentage of sales, personal selling is often the major promotional method used by American businesses.

Answer: TRUE

Diff: 2

Objective: LO 2.1: Discuss the evolution of personal selling models as an extension of the marketing concept

16) The marketing concept is the foundation of the sales methods and techniques used since the 1950s.

Answer: TRUE

Diff: 1

Objective: LO 2.1: Discuss the evolution of personal selling models as an extension of the marketing concept

17) Peter Drucker stated that "the _____ defines the business."

Answer: customer

Diff: 1

Objective: LO 2.1: Discuss the evolution of personal selling models as an extension of the marketing concept

18) List and describe the four parts of the marketing mix.

Answer:

1. Price—What the product will cost the customer
2. Product—The qualities and specifications of the product
3. Place—Where the customer can buy the product
4. Promotion—How the company will promote the product to the customer

Diff: 1

Objective: LO 2.1: Discuss the evolution of personal selling models as an extension of the marketing concept

19) In consultative selling, the customer is seen as:

- A) a person to be served
- B) a prospect to be sold
- C) a point on the funnel
- D) progress toward a quota
- E) a challenge to be overcome

Answer: A

Diff: 1

Objective: LO 2.2: Describe the evolution of consultative selling from the marketing era to the present

20) Consultative selling emphasizes need identification, which the salesperson achieves by:

- A) leading with the benefits of the product or service, not the features
- B) giving a professional sales presentation that engages multiple modalities
- C) mirroring the client's speech and body language to establish rapport
- D) carefully labeling all the steps to install and use the product
- E) asking the client questions and listening carefully to the answers

Answer: E

Diff: 2

Objective: LO 2.2: Describe the evolution of consultative selling from the marketing era to the present

21) Transactional selling is less complicated than consultative selling because:

- A) consultative selling takes into consideration the clients' varying needs
- B) consultative selling requires giving the client the product at the lowest price possible
- C) consultative selling is an earlier form of selling than transactional selling
- D) all sales begin with transactional selling
- E) a higher percentage of transactional sales close than do consultative sales

Answer: A

Diff: 3

Objective: LO 2.2: Describe the evolution of consultative selling from the marketing era to the present

22) A key ingredient in the consultative selling process is:

- A) discounting appropriately
- B) serving the client
- C) overcoming objections
- D) selling in teams
- E) asking for the sale

Answer: B

Diff: 2

Objective: LO 2.2: Describe the evolution of consultative selling from the marketing era to the present

A company has developed a calendar/messaging/paperwork center that helps working mothers organize their families' schedules and paperwork. All the mothers who have tried it have loved it, and it is priced comparably to normal planners, although it offers much more.

23) Because this product looks similar to other products and only differentiates itself when a customer uses it, customers might be more influenced to buy it because of:

- A) advertising on websites geared to women
- B) marketing campaigns in non-traditional outlets
- C) word of mouth endorsements from other mothers
- D) teacher recommendations
- E) telephone marketing campaigns

Answer: C

Diff: 3

AACSB: Application of Knowledge

Objective: LO 2.2: Describe the evolution of consultative selling from the marketing era to the present

24) Company management is having a difficult time deciding whether to allot more money to a marketing campaign involving ad buys and promotional events, or to a staff of sales representatives to sell the organizers. What factor should they consider in allotting the budget?

- A) A national marketing campaign can cost more than the yearly salaries of an entire sales department.
- B) A marketing campaign can reach prospects in several geographic areas at the same time.
- C) Salespeople can visit several retail outlets a day.
- D) Salespeople work on commission.
- E) Even with a marketing campaign, retail outlets will need to order through and be trained on product knowledge by salespeople.

Answer: E

Diff: 3

- E) the company's sales quotas

Answer: B

Diff: 1

Objective: LO 2.3: Define strategic selling and name the four broad strategic areas in the Strategic/Consultative Selling Model

- 40) The evolution of strategic selling can most likely be traced to:
- A) a need to use fewer salespeople to sell more products
 - B) the growing demand for less expensive products
 - C) the need for salespeople to master sales force automation practices
 - D) new sources of raw materials
 - E) several trends that resulted in a more complex selling environment

Answer: E

Diff: 2

Objective: LO 2.3: Define strategic selling and name the four broad strategic areas in the Strategic/Consultative Selling Model

Jenny Johansson sells customized buses like the ones bands use while on road tours. Her company has recently assigned her to a new territory in the Upper Midwest, and she is reevaluating the sales strategies she used in her old territory in New England.

41) Jenny is working on her sales strategy for a mid-sized town in her territory. One of her ideas is to stretch out of the traditional prospect pool of traveling performers, who are not headquartered in the Upper Midwest, and open up new markets with corporations that need customized buses for executives. This thinking process Jenny is participating in is called:

- A) the value proposition
- B) the marketing mix
- C) presentation strategy
- D) strategic planning
- E) optimization

Answer: D

Diff: 3

AACSB: Application of Knowledge

Objective: LO 2.3: Define strategic selling and name the four broad strategic areas in the Strategic/Consultative Selling Model

42) At a party, Jenny talks to a flight attendant who mentions the passenger she had in first class who needed a second seat for his oxygen and other medical equipment. Jenny realizes that modifying buses for medical needs instead of luxury could open a whole new market. This is an example of:

- A) product strategy
- B) transactional selling
- C) the persuader stage
- D) the marketing mix
- E) the marketing concept

Answer: E

Diff: 3

AACSB: Application of Knowledge

Objective: LO 2.3: Define strategic selling and name the four broad strategic areas in the Strategic/Consultative Selling Model

43) While making a sales presentation to the head of a local company, Jenny discovers that the head is routinely stopped and delayed at airport security because of a joint replacement that sets off alarms but doesn't show up easily in the x-ray machines. This adds another 3-4 hours to some trips, and has caused him to miss 10 flights in the previous year. This conversation is:

- A) need identification
- B) relationship building
- C) price negotiation
- D) qualifying the prospect
- E) post-sales service

Answer: A

Objective: LO 2.3: Define strategic selling and name the four broad strategic areas in the Strategic/Consultative Selling Model

46) A strategy can be best described as a collection of techniques, practices, or methods you use when you are face to face with a customer.

Answer: FALSE

Diff: 2

Objective: LO 2.3: Define strategic selling and name the four broad strategic areas in the Strategic/Consultative Selling Model

47) The four major strategies that form the strategic/consultative selling model are independent of one another.

Answer: FALSE

Diff: 2

Objective: LO 2.3: Define strategic selling and name the four broad strategic areas in the Strategic/Consultative Selling Model

48) Typical salespeople spend about 30 percent of their time in actual face-to-face situations.

Answer: TRUE

Diff: 2

Objective: LO 2.3: Define strategic selling and name the four broad strategic areas in the Strategic/Consultative Selling Model

49) The presentation strategy includes a reminder that outstanding service should be the overriding theme of every sales presentation.

Answer: TRUE

Diff: 1

Objective: LO 2.3: Define strategic selling and name the four broad strategic areas in the Strategic/Consultative Selling Model

50) _____ evolved because of broader and more diverse product lines, demand for specific customized solutions, and more competition.

Answer: Strategic selling

Diff: 2

Objective: LO 2.3: Define strategic selling and name the four broad strategic areas in the Strategic/Consultative Selling Model

51) A(n) _____ is a well-thought-out plan for establishing, building and maintaining quality selling relationships.

Answer: relationship strategy

Diff: 2

Objective: LO 2.3: Define strategic selling and name the four broad strategic areas in the Strategic/Consultative Selling Model

52) A(n) _____ strategy is a carefully conceived plan that will result in maximum responsiveness to customers.

Answer: customer

Diff: 2

Objective: LO 2.3: Define strategic selling and name the four broad strategic areas in the Strategic/Consultative Selling Model

53) List and describe the five strategic steps of the Strategic Consultative/Selling Model.

Answer:

1. Developing a personal selling philosophy. This involves adopting the marketing concept, valuing personal selling, and assuming the role of problem-solver.
2. Developing a relationship strategy. Success in selling depends heavily on the salesperson's ability to develop, manage, and enhance interpersonal relations with the customer.
3. Developing a product strategy. Products and services represent the problem-solving tools available to salespeople.
4. Developing a customer strategy. Sales and marketing efforts must be organized around the needs and desires of the customer.
5. Developing a presentation strategy. The presentation is a critical part of the selling process because it is at this point that the salesperson determines whether the customer has a need for the product.

Diff: 2

Objective: LO 2.3: Define strategic selling and name the four broad strategic areas in the Strategic/Consultative Selling Model

54) When a marketer decides to adopt partnering, emphasis will most likely be placed on:

- A) selling strategies

- A) creating the customer's value needs
- B) creating the value proposition
- C) quantifying the value proposition
- D) questioning the value proposition
- E) presenting the value proposition

Answer: B

Diff: 2

Objective: LO 2.5: Explain how value-added selling strategies enhance personal selling

Jenny Johansson sells customized buses like the ones bands use while on road tours. Her company has recently assigned her to a new territory in the Upper Midwest, and she is reevaluating the sales strategies she used in her old territory in New England.

73) During a presentation, when communicating the value proposition to the customer, Jenny should most likely focus on:

- A) the features that make the bus special
- B) how much money driving a bus saves over chartering a plane
- C) how the bus will solve problems for the customer
- D) the gas mileage the bus gets
- E) the materials used in the modification of the bus

Answer: C

A company has developed a calendar/messaging/paperwork center that helps working mothers organize their families' schedules and paperwork. All the mothers who have tried it have loved it, and it is priced comparably to normal planners, although it offers much more.

74) How can a salesperson add value to the transaction for a retail outlet buying the organizers to resell to customers?

- A) by giving the outlet the same price rival calendars charge
- B) by helping the outlet place the order for the organizers
- C) by providing a free display stand and benefits list to outlets to help them sell
- D) by delivering the organizers to the outlets
- E) by penalizing outlets that do not sell many organizers with a smaller discount off retail price
