60) How has the Sarbanes-Oxley Act of 2002 reformed corporate governance?

Answer: Two areas in which corporate reform was mandated by the Sarbanes-Oxley Act of 2002 are the role of boards of directors and financial reporting. "Quid pro quo" arrangements, where board members "took care" of the CEO and the CEO "took care" of the board members changed with the passage of the Act. Demands on board members of publicly traded companies increased considerably. The Act also called for more disclosure and transparency of financial information. Senior managers are now required to certify their company's financial results.
