## CHAPTER 1—THE ANCIENT NEAR EAST: THE FIRST CIVILIZATIONS

## **ESSAY**

| 1. | What parts of the transition from hunting and gathering to a settled, agricultural society would have improved most people's lives, and what parts of the transition would have decreased the quality of life?  |
|----|---|
|    | ANS:  |
| 2. | Try to define the differences between the terms "society" and "civilization."   |
|    | ANS:  |
| 3. | Some scholars refer to Mesopotamian and Egyptian civilizations as "hydraulic" cultures. Check the definition of "hydraulic," and write an essay justifying the application of this term to these cultures.  |
|    | ANS:  |
| 4. | Compare and contrast the role of women and families in Mesopotamian and Egyptian societies.  ANS:   |
| _  |   |
| 5. | In the modern Western world, we often draw a distinction between religion and secular society. Would this distinction have made sense to the peoples of ancient Mesopotamia and Egypt?  |
|    | ANS:  |
| 6. | Discuss some of the similarities and the differences between the religions and religious practices of the Mesopotamian region with those of Egyptian civilization.  |
|    | ANS:  |
| 7. | The Code of Hammurabi was one of the first of all ancient legal codes. In what ways was it "modern"? How was it different from modern day Western legal codes? What do you believe constituted "justice" for the inhabitants of Mesopotamian city-states? |
|    | ANS:  |
| 8. | Discuss the possible reasons why Mesopotamia saw so many different civilizations, from the Sumerians to the Persians, while civilization in the Nile Valley remained essentially unchanged for three millennium.  |
|    | ANS:  |

| 9.   | Why begin the history of Western Civilization with a study of ancient societies in Mesopotamia and Egypt?                                  |
|------|--|
|      | ANS:   |
| 10.  | What were the causes and the consequences of the migration of Indo-European speakers into the Near East during the second millennium B.C.? |
|      | ANS:   |
| 11.  | Which society presented in Chapter 1 would you have preferred to live in, and why?   |
